Dear Parents, Caregivers and Children,

Mr Peter Moore and I warmly welcome back one and all and trust that you embraced the opportunity to rest and reset over the holiday break. We ask God to extend a little extra love and care his way, so that he can return to us very soon.

Student School Leadership

This morning we gathered in prayer to celebrate the Eucharist at our first whole school Mass. We prayed for God's blessings so that we may listen to what the Spirit is saying and open our minds to learning all that we possibly can about ourselves, others and our God. We also acknowledged the student leaders at the Assembly that followed and presented each with a St. Monica's School Leadership badge. In wearing the badge, we ask that they commit to continuing to learn and grow as leaders of our school community, to be inclusive of all, accept the challenges that may present and uphold the Gospel messages of faith, hope and love. Congratulations 2020 Student School Leadership Team!

Foundation First Day of School

The start of any school year is often very exciting, particularly for our Foundation students. We are pleased to report that they have experienced a wonderful start to school life. We acknowledge the planning and preparation of the Foundation Teachers, Miss Tess Morriss, Miss Stephanie Kuc and Miss Emma La Mari, and the Foundation Learning Diversity Leader, Mrs Julie Barbey, which contributed to the success of the students' smooth transition from Kindergarten to Primary School. We thank the Parents Association for organising the special morning tea that encouraged all to connect and feel very welcome.

Introducing New Members to St. Monica's Staff

Mrs Mary Poupounaki

Mary is our newly appointed Literacy Leader who has extensive experience in Catholic Primary School education. She is highly regarded for her expertise in supporting students to develop their literacy strategies when engaged in speaking and listening, reading and writing learning experiences. Mary is a passionate advocate for helping students to embed transferable skills, promoting academic success across all key learning areas. Welcome Mrs Poupounaki!

Miss Tiffany Byrne

Tiffany is the new addition to the Year 3 Teaching Team. She comes to us from Brisbane where she worked in a Catholic Primary School before heading overseas to experience teaching abroad. She has a strong capacity to quickly build positive relationships with her students, as evident in her daily interactions with the class. Welcome Miss Byrne!

Miss Olivia Boyd

Olivia Boyd joins us this year and has assumed the position of Year Two Classroom Teacher. She has worked in neighbouring Catholic Primary Schools and has over 16 years teaching experience. Olivia prides herself on her capacity to plan purposeful and engaging learning experiences where all students are set up to experience success. Welcome Miss Boyd!

Congratulations Mr Redi

We are delighted to announce Mr Camillo Redi is the proud father of beautiful Zara Marie Redi who safely arrived on January 30th. We look forward to seeing Zara at St. Monica's when she is old enough to visit.

Testing Days

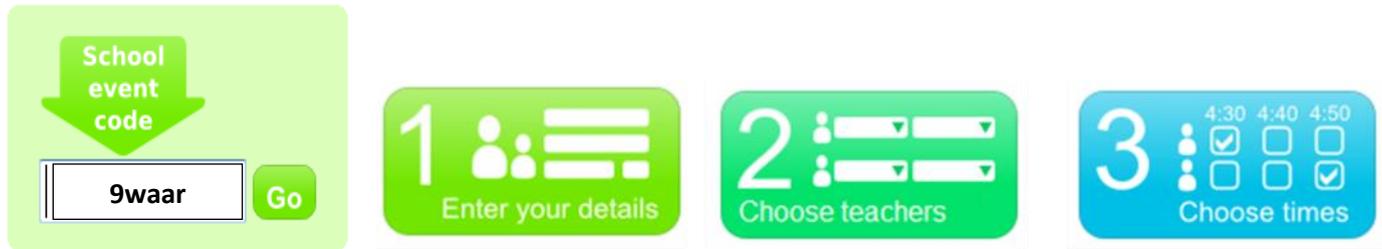

We thank parents for supporting our work by presenting students in Years One to Six to complete a Numeracy and Literacy assessment over the two designated Testing Days. Curriculum Leaders will now work closely with Classroom Teachers to support the unpacking of the data gathered from the individual students. This information will inform planning in both Mathematics and English and ensure the learning experiences are differentiated to meet the needs of all students.

'Teacher Meet and Greet' Chats

Please note in the Diary: Monday 10 and Tuesday 11 February (3:50 – 7:00pm)

The 'Teacher Meet and Greet' Chats present an opportunity for parents who wish to meet their child's classroom teacher. Parents are encouraged to share what they believe is important for the teacher to know and understand about their child. Parent Teacher interviews will be scheduled for the end of Term One where teachers will then provide feedback to parents on their child's progress. The level of achievement in each of the key curriculum areas and goals for further growth and development will also be discussed. Please access the link below and enter the code to schedule an appointment time.

Please go to www.schoolinterviews.com.au and enter the **school event code** and follow these simple instructions:

Drop-off and Pick-up Zone

Now that we have returned to our regular and busy routines, I'd like to remind parents of our collective responsibility as members of this school community to follow the Road Rules and our Agreed Procedures regarding the Drop-off and Pick-up Zone. The following special rules apply:

The driver needs to drive forward as much as possible before stopping the car.

- The driver of the car cannot get out of the car.
- The child must exit onto the footpath side.
- The child's bag should be kept in the car, not in the boot. If an accidental nose-to-tail crash occurs, asking children to go to the boot of the car is dangerous.
- In the mornings, the Zone can be used from 8:30am onwards. The Drop-off Zone becomes normal parking at 9:00am.
- In the afternoons, drivers should not leave home before 3:25pm to avoid a 'bank-up' of cars. You can be fined by the Council if you are caught in a stationary line of cars.
- The driver is not to park in our neighbours' driveways nor sit in the middle of the road.

We thank you for your continued support and cooperation.

Welcome Back BBQ

We look forward to the smell of barbequed sausages in the Senior Yard this Friday night from 5:30pm and the opportunity to strengthen relationships with new and existing families. Thank you, once again, to the Parents Association for organising this special whole school community event and we encourage all to come on down.

I wish you all a wonderful year ahead. Embrace challenges that are set before you, and together we will all learn and grow.

Signing off for the very first time,

Ms Christine Lo Giusto

Deputy Principal

Welcome to our new Foundation students! Did you enjoy your First Day of School?

It is always exciting to see the different 'First Day of School' photographs! Did you take one at home?

I was so impressed walking through the classrooms to see students getting straight into their work! Well done!

Did you have 'First Day Jitters'? The character in this book did ...and a little secretit wasn't the student!!!!

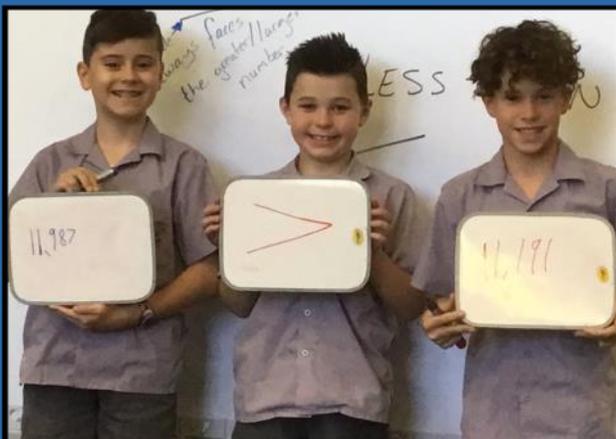

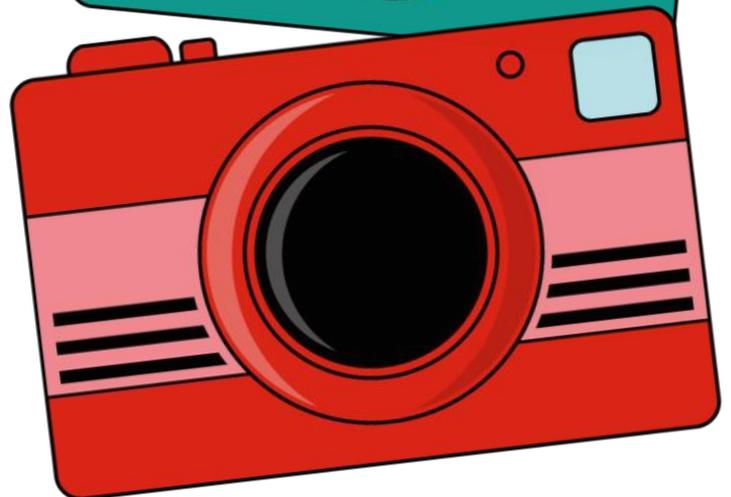

Our winning entries of the school rule drawings are now proudly displayed in classrooms.

The Foundation students talked about the school rules and created their own class agreement.

Caught in the Act

Is 11, 987 less than or greater than 11, 191?
Students in Year 4 enjoyed these place value challenges!

House Event

When the new Foundation students gathered in the Junior Yard last week an atmosphere was created that is very difficult to capture in words. The first day of school is not only a significant milestone but an event which manifests feelings in both the students and the parents that is never quite replicated throughout life.

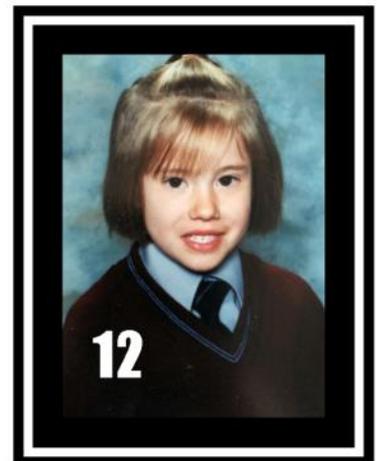

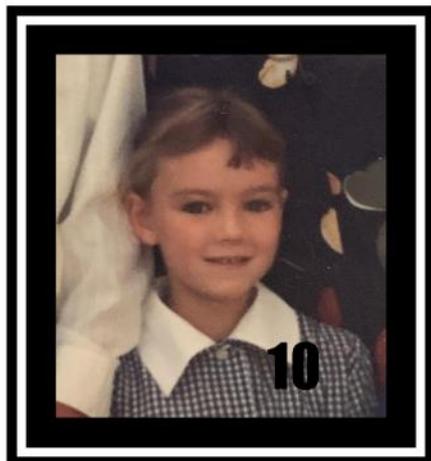

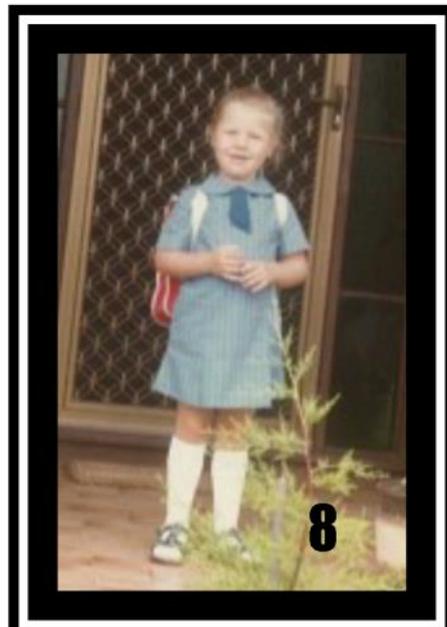

They say that 'a picture speaks a thousand words'and I guess this phrase is most apt for capturing that 'First Day of School' image! Watching parents take photographs with the school banner, 2020 balloons and the classic frame reminded many teachers of their first day at school!

Alas, this prompted our first House Competition for 2020. Can you guess the teachers in these Prep/Foundation/First Day of School photographs? Simply write the name of the teachers on this **entry slip and post your entry in the House Letterboxes** outside Mrs Hodgetts office (in the Middle School) **by Friday 14 February.**

Student Name:	Class:	House:
1.	5.	9.
2.	6.	10.
3.	7.	11.
4.	8.	12.

Enjoy the little things in life, for one day you will look back and realise they were the big things.

#SMOBA NEWS 2020:

BUSHFIRE RELIEF:

#Smoba started its 2nd and finished with over 120 Dad's in it's group. The year 2019 was a hugely successful one.

Unfortunately the year didn't start so well for many other Victorian's who were affected by the Bushfire Crisis. We thought it would be a good idea to give something to those affected by the Bushfires and raise some funds.

A #SMOBA Bushfire Relief Fund was created through the Red Cross with an aim of raising \$2,500. Within 24 hours we had already raised that amount. The goal posts were moved so to speak with a new target of \$5,000. The account was closed once school began for the year and by then we had raised an amazing \$5,473.

Well done. A massive effort by all #smobas who made a donation. Thank-you.

CHRISTMAS PARTY: #Smoba celebrated their 2nd ever Christmas Party on Wednesday 18th December @ the newly renovated Essendon Hotel. It was another great turnout by the Dad's of St. Monica's with 80 plus making the effort. In warm conditions the night was a success.

Awards were given, good-byes were recognised and our Sponsors throughout the year thanked.

A big thank-you to the following sponsors:

Sheen Panel Services - Mark Sankovich

McElligotts Protective Coating Contractors - John McElligott

ANZ Mobile Lending Essendon - Scott Pickett

Maxx Excavation Services - Elton Stevens

Palmer Building Solutions - Aaron Palmer

Smartline Personal Mortgage Services - Rob Stipanic

Penny Young - Anthony Bongivanni

Brookline Financial Services - John Traficante

We said Good-Bye to 3 #smobas and their families. We thank them for their contribution to the St. Monica's Community over the years.

Brendan Jones #47

Justin Farmelo #67

Eoin Kearns #8

There were 2 Awards given out after a long year. Congratulations to the following Winners:
