**2020 Foundation Enrolments
open next week.**

Dear Parents, Caregivers and Children,

After the Labour Day Long Weekend, we have our Annual Open Day. We look forward to welcoming prospective families into the school on Wednesday 11th March. Our enrolments for 2021 open on Tuesday 10th March and Close on Friday 20th. If you have a younger sibling for enrolment in Foundation 2021, please come into the Office for an enrolment pack. **We look forward to welcoming new students!**

School Photos

Our School Photos will take place on Friday 13th March. This year we are using a new company (School Pix) and we look forward to seeing their work in action. My thanks to the members of the Parents Association who, in 2019, participated in a thorough review of our previous company and conducted interviews of a number of other prospective companies. The result of this process was that we changed companies.

Students are required to wear their full summer uniform. If students have Sport on the day, please still send your child in Summer Uniform, but also send along the child's runners in their bag so at least they have appropriate footwear to change into.

Bunning's Sausage Sizzle

My thanks to Brent Lloyd for coordinating the Sausage Sizzle at Bunnings on March 1st. Along with a team of merry helpers, Brent worked tirelessly throughout the day to cook up a storm. Our sincere thanks to this team for their great work. Brent has a report in today's Newsletter and I have borrowed one of his photos!

Parent Teacher Interviews

Feedback from parents in 2019 was extremely positive regarding our practice of having Parent/Teacher Interviews at the end of term one. We will repeat this again in 2020 and the date is in our school calendar. Students will finish classes on Thursday 26th March and interviews will take place on Thursday after school and Friday throughout the day. A separate note will come home for bookings.

Welcome Lunch for New Families

My sincere thanks to the Members of the Parents Association who organised the Welcome Lunch at the beautiful home of Melissa and Matthew Leffanue. It was a wonderful opportunity for our new families to meet each other in the warm environment of a family home. It was great to be able to mingle among members of our parent community and I thank everyone involved, especially those workers who washed dishes all day. **It really was a spectacular event.**

FOUNDATION WELCOME LUNCH

Meeting of Parish Priests and Principals

On Thursday our school hosted a Regional gathering of Parish Priests and Principals. We gathered to discuss proposed new arrangements for the governance of Catholic Parish Primary Schools and Regional Colleges which will come into effect on January 1st 2021.

We received an incredible number of positive comments about our learning environment—not only the building, but more importantly, the learners. During our meeting we could see the senior students through the giant glass doors of the auditorium and it was really important that their presence reminded us all why we are here. I had several people comment on the fact that being in close proximity to the students had a positive effect on our discussions.

Along with our hard-working staff, I was supported by an amazing group of parents in the preparation, implementation and clean up of the event. One of the key organisers from the Archdiocese commented to me that she feels so welcome in this school community and that the smiles she received upon entry into the school set the tone for a successful gathering.

We had about ninety visitors in total and I owe a heartfelt THANK YOU to the members of the Parents Association and Parish Education Board who gave up hours of their time to assist with hospitality and other practical arrangements (like car parking). Thank you to: Joe Pane, Mike and Angela Mac Namara, Vivian Scarpino, Caroline Trevaskis, Julianne Hancock, Michelle Christian, Jacqui La Fontaine, Natasha Zucco, Joanne Simon and Emma O’Connell.

Regards,

Peter Moore

Have a Good Long Weekend!

Look at that high level of concentration. Completing mathematics puzzles is a great way to get your brain working!

The Year 4 students have been sharing their own 'Bag of Talents' with each other. What is your special talent?

We love it when Grandparents come into the school as Guest Speakers! They learnt that 100 students in a class was normal!

Have you ever built a balloon rocket? The Year 5 students used their problem solving skills to make it travel faster!

Using our amazing document viewers, students can share their learning instantly with their peers.

Did you know Monday 2 March was Dr Seuss Day! The Year 4 students found a Dr Seuss book that actually matches their Life Cycles Unit!

Caught in the Act

A Weet-Bix card, a stamp and a collector's coin ...just some of the items students in Year 1 looked at that commemorate the Burke and Wills Expedition!

The Year 4 Grass Heads are growing!

The Year 4 students are also growing plants at home for their own investigations!

The dominoes are always very popular during wet weather!

How exciting the Year 3 Production has been launched! They will perform MONSTERS INC. in early Term 2!

It is amazing the shapes you can find when you look from a different perspective.

Wow!

Look at the level of focus these students are applying to their writing.

Every Thursday, I always catch Ms Pilati giving a thorough handover to her fellow teacher, Mrs Leone!! What a team!

Caught in the Act

ZONES OF REGULATION!

Do you know the different zones?
What colour are you in right now?

Respectfully breaking the masculinity strait jacket - by Michael Grose

There's nothing so mindless as a mob, which was abundantly clear last year when a group of boys from a Melbourne school were filmed making a misogynist chant on a crowded tram.

While it's easy to blame the mob for such behaviour it shows that out dated ideas about masculinity persist. There's still a lot of work to be done to teach boys to respect women and treat them as equals.

Calling out the bro' code

The tendency for boys to bond tightly is dual-edged sword. On the one hand, a tight set of mates provides a boy with a sense of safety, security and belonging. On the other hand, the bonds between young males can propel a boy to act in ways that are reckless, amoral and just plain stupid.

It takes a brave boy to go against the crowd and call out this bro' code. Doubly so when he has to stand up and call out the sexist behaviour of his friends. Calling out your mates' sexist comments, like calling out violent acts, is the quickest road to ostracism and being branded a loser, loner or loathsome by the mob.

Respectful attitudes take courage

It takes courage and real leadership to swim on your own against the tide, particularly when the mob is swimming the other way. Courage, leadership and respectful behaviour are part of the ongoing conversations about respectful behaviours that adults need to have with boys from the early primary school years.

Respectful attitudes requires eldership

Men have major role to play in helping boys develop healthy values and attitudes that they can take into their adult lives. Men's lifestyles and beliefs become touchstones for adolescent boys who are searching for legitimate pathways to adulthood.

Boys need to see genuine reactions of outrage and disgust by the men in their lives to sleazy, inappropriate behaviours toward women displayed by some current high profile celebrities so they see that misogyny and disrespect plays no part in decent masculinity. Similarly, they need to see men calling out inappropriate remarks made toward women in the workplace, in the community and at home.

Respectful attitudes are forged through rites of passage

One of the great opportunities we have as a culture is the reintroduction of healthy rites of passage from boyhood (and girlhood) into manhood (and womanhood). It is through adult-initiated rites of passage that boys leave behind the vestiges of boyhood, taking on the mantle of manhood and the responsibilities that go with being a man.

Respectful behaviours between boys and girls are now part of school curricula in all schools. They also need to be reinforced, and indeed lived, by parents and other community members for lasting change to occur.

District Swimming Trials 2020

On Monday 2nd March our school swimming team took part in the District Swimming Trials held at Queens Park Outdoor Pool. It was a successful day all round, with special congratulations to those children who won a 1st, 2nd or 3rd place ribbon in their respective events. A big thank you also to Mr Min Fa and Jamie Tate for their support and assistance throughout the day. The Divisional Swimming Trials will be held at Oak Park Pool on Wednesday 18th March, and those students who have qualified will be notified as soon as possible.

Please note that this is a late change of event date, and as a result the change may affect some students and parents.

Thank you again for your understanding.

Mr McGuinness.

Bunnings Maribyrnong BBQ

Last Sunday the Parents Association held a successful BBQ at Bunnings Maribyrnong. Thank you to Joanne Simon and all the parent helpers for their time and support.

Program Update

Dear Parents and Guardians,

We will be running a pupil free day program on Friday March 27th. Bookings can now be made for this day through your parental portal, selecting the pupil free day tab. Bookings can also be made for our April Vacation Care Program. Unfortunately we do not serve food during vacation care or pupil free services, therefore we ask that your child brings their own food. We stop to eat at morning tea, lunch and afternoon tea. We also ask that they bring a drink bottle and hat.

Bookings can now be made for our April Vacation Care Program. These bookings can be made through the parental portal. Terms 1 and 4 are sun smart terms, which means your child must wear a hat and sunscreen before going outside for play. OSHClub provides sunscreen, however, should your child have a sensitivity to sunscreen please provide your own. If your child suffers from a medical condition, can you please bring in all relevant paperwork and medication. All children that have anaphylaxis, allergies or asthma must have an up to date copy of their action plan and medication stored with us.

****Important reminder****

Please remember to book in for Before and/or After School Care if you know in advance. It helps us to ensure we have enough staff rostered on and for catering purposes. If you do need to make a booking on the day, please text the program phone on 0412 616 491. Registration and future bookings can be completed through our website www.oshclub.com.au

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2019, you do not need to complete an application form in 2020 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools in 2020 or you did not apply in 2019.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2020.

Check with the school office if you are unsure.
