St Monica's Primary School Enrolment Agreement

St Monica's Primary School is a school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS). This agreement aligns with St Monica's Primary School Enrolment Policy and MACS Enrolment Framework.

Please read the terms and conditions outlined below before signing the agreement. Confirmation of enrolment offer requires the acceptance and signing of the Enrolment Agreement.

Terms and Conditions of Enrolment

1. Education services

- 1.1 Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. MACS schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.
- 1.2 Catholic education services includes:
 - 1.2.1 targeted support to students assessed by the school as requiring additional assistance with literacy and numeracy. The degree of support provided will be determined with consideration of the number of students who would benefit from assistance and the resources available to the school.
 - 1.2.2 targeted support to students assessed by the school as requiring assistance with social and emotional development. The degree of support provided will be determined with consideration of the number of students who would benefit from assistance and the resources available to the school.
- 1.3 Parents, guardians and carers, as the first educators of their children, enter into a partnership with the school to promote and support their child's education. Parents/guardians/carers must assume responsibility for maintaining this partnership by supporting the school in the provision of education to their children within the scope of the school's registration and furthering the spiritual and academic life of their children.

2. Enrolment

- 2.1 Parents/guardians/carers are required to provide particular information about their child during the enrolment procedure, both at the application stage and if the school offers your child a place. Please note that lodgement of the enrolment form does not guarantee enrolment at the school. If the information requested is not provided, the school may not be able to enrol your child.
- 2.2 To meet MACS and government requirements, parents/guardians/carers will need to provide the school with a completed enrolment form including, among other things, the information listed below:
 - evidence of your child's date of birth (e.g. birth certificate, passport)
 - religious denomination
 - previous school reports (if applicable)
 - names and addresses of the child and parents/guardians/carers; telephone numbers (home, work, mobile) of parents/guardians/carers
 - names of emergency contacts and their details
 - specific residence arrangements
 - information about the language/s your child speaks and/or hears at home
 - nationality and/or citizenship including the visa sub-class granted upon entry to Australia (prior to citizenship being granted), where applicable
 - doctor's name and telephone number
 - diagnoses, medical conditions, health needs and immunisation history
 - information on additional learning needs (e.g. whether your child requires additional support in relation to personalised care and support, mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)
 - parenting agreements or court orders, including any guardianship orders.

After lodgement of the enrolment form, school staff may need to request further information, for example in relation to any parenting orders, health needs, medical conditions or additional learning needs that have been noted on the enrolment form. In addition, it is often useful for parents/guardians/carers to attend a meeting with school staff prior to enrolment to discuss any additional needs your child may have. An interpreter may be organised, if required.

- 2.3 Subject to any special exercise of discretion by MACS, the order of priority for enrolment in MACS schools is detailed in the school's Enrolment Policy.

3. Fees

- 3.1 The setting of the levels of fees, levies and other compulsory ad hoc charges in MACS schools is the responsibility of the school within the prescribed requirements of MACS, considering the allocation of government funds. School fees generally cover most curriculum-related activities. In some cases, additional costs may be required for some excursions, camps, activities, and programs. Where additional levies and charges are required, the school informs parents/guardians/carers of cost details in advance.
- 3.2 The school offers a number of methods for paying fees, levies, camps and excursions, and ad hoc charges to reduce any financial burden and to assist in financial planning. If you have difficulty in meeting the required payment of fees, levies and ad hoc charges, you are welcome to discuss this with the principal of the school.
- 3.3 Parents/guardians/carers are responsible for the payment of all fees, levies and charges associated with the student's enrolment and attendance at the school, as contained in the school's Fees, Levies and Charges Schedule provided to parents/guardians/carers from time to time. The fees must be paid for a child to enrol and to continue enrolment at the school. The school has discretion over whether to allow a student to participate in optional or extracurricular school events, such as paid school excursions or extracurricular activities, while fees remain due and payable.

4. Enrolment under minimum school entry age

- 4.1 The school's enrolment policies and procedures are intended to ensure that, when enrolling students, MACS schools are compliant with relevant Victorian and Australian government legislation. A child must turn five by 30 April in the year of starting school unless an exemption is approved. Enrolment of children under the minimum school entry age and pre-Prep programs require approval from the MACS Executive Director (or the delegate) via the Minimum Age Exemption Application.
- 4.2 Approval for exemptions must be sought from the MACS Executive Director (or the delegate) before enrolment under the minimum starting age can occur. Approval for early-age enrolment will only be granted in exceptional circumstances where both the parent/guardian/carer seek the enrolment of the child under the minimum age, and the principal supports the enrolment of that child at the school and the best interest criteria are met.

5. Child safe environment

- 5.1 Catholic school communities have a moral, legal and mission-driven responsibility to create nurturing school environments where children are respected, their voices are heard, and where they are safe and feel safe.
- 5.2 Every person involved in Catholic education, including all parents/guardians/carers at our school, has a responsibility to understand the importance and specific role they play individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.
- 5.3 The school's child safe policies, codes of conduct and practices set out the commitment to child safety, and the processes for identifying, communicating, reporting, and addressing concerning behaviour and allegations of child abuse. These documents establish clear expectations for all staff and volunteers for appropriate behaviour with students to safeguard them against abuse.
- 5.4 The school has established human resources practices where newly recruited staff, existing staff and volunteers in the school understand the importance of child safety, are trained to minimise the risk of child abuse, and are aware of the school's relevant policies and procedures. The school also provides ongoing training, supervision and monitoring of staff to ensure that they are suitable to work with students as part of our human resources practices.
- 5.5 The school has robust, structured risk management processes as prescribed by MACS that help establish and maintain a child safe environment, which involves consideration of possible broad-based risk factors across a wide range of contexts, environments, relationships, and activities with which students within our school engage.
- 5.6 The school, in partnership with families, ensures children and young people are engaged and are active participants in decision-making processes, particularly those that may have an impact on their safety. This means that the views of staff, children, young people and families are taken seriously, and their concerns are addressed in a just and timely manner.
- 5.7 The school's child safety policies and procedures are readily available and accessible. Further details on MACS' and the Catholic education community's commitment to child safety across Victoria can be accessed at:
 - the Catholic Education Commission of Victoria Ltd child safety page www.cecv.catholic.edu.au/Our-Schools/Child-Safety

 - the MACS child safety page www.macs.vic.edu.au/Our-Schools/Child-Safety.aspx.

6. Period of Enrolment

- 6.1 The enrolment of the student, once approved by the principal of the school, commences in the entry year and continues until the completion of the last year at the school or until the student's enrolment is otherwise withdrawn or terminated.

7. Policies and procedures

- 7.1 All the school's enrolment policies and procedures are available on the school website. For the purposes of this agreement, a reference to school's Policies and Procedures also includes processes, guidelines, and any other applicable governance documentation.
- 7.2 The parents/guardians/carers must comply with and take all reasonable steps to uphold the school's policies and procedures, as introduced or amended from time to time, including those concerning or dealing with:
- the care, safety and welfare of students
 - the standards of dress, grooming and appearance
 - grievance and complaints
 - social media and the use of information, communication, and technology systems
 - student behaviour and conduct and discipline of students, including those listed in the student code of conduct as may be published from time to time
 - parent behaviour and conduct, including any Parent/Guardian/Carer Code of Conduct as may be published from time to time
 - privacy.
- 7.3 The school has absolute discretion in all its operational and educational matters and offerings as determined by its governing body, MACS, and subject to relevant delegations to the principal of the school.

8. Terms of enrolment regarding acceptable behaviour or conduct

- 8.1 The school is a community that exemplifies the gospel values of love, forgiveness, justice and truth. The school community recognises that everyone has the right to be respected, to feel safe and be safe; and, in this regard, understands their rights and acknowledges their obligation to behave responsibly.
- 8.2 Every person at the school has a right to feel safe, to be happy and to learn, therefore we aim to:
- promote the values of honesty, fairness and respect for others
 - acknowledge the worth of all members of the community and their right to work and learn in a positive environment
 - maintain good order and harmony
 - affirm cooperation as well as responsible independence in learning
 - foster self-discipline and develop responsibility for one's own behaviour.
- 8.3 MACS and the school administration, in consultation with the school community wherever appropriate, will prescribe standards of dress, appearance and behaviour for the student body, taking into consideration the student's aboriginal, cultural, religious or diverse backgrounds or circumstances.
- 8.4 As a term of your child's enrolment, parents/guardians/carers agree that the student is required to comply with the school's behaviour aims and code of conduct, and to support the school in upholding prescribed standards of dress, appearance and behaviour and ensure compliance with the Code of Conduct for Students.
- 8.5 The parents/guardians/carers agree to be responsible for ensuring that the student is aware of all policies and procedures that apply to the student, including those relating to the student conduct and behaviour and any code of conduct for students, and to actively support the school in the implementation of such policies, procedures and codes of conduct.
- 8.6 The parents/guardians/carers agree to comply with any code of conduct for parents/guardians/carers or other policy implemented by the school from time to time which sets out the school's expectations of parents/guardians/carers who have a student enrolled at the school.
- 8.7 The parents/guardians/carers agree that any unacceptable behaviour by a child, or significant and/or repeated behaviour by a parent/guardian/carer that, in the school's view, is unacceptable and damaging to the partnership between parent/guardian/carer and school, or otherwise in breach of the student code of conduct or the parent/guardian/carer code of conduct may result in suspension or termination of the student's enrolment.

9. Terms of enrolment regarding conformity with principles of the Catholic faith

- 9.1 As a provider of Catholic education, the principal will consider the need for the school community to represent and comply with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of school administration, including enrolment. Students and families who are members of other faiths are warmly welcomed at the school. However, MACS reserves the right to exercise administrative discretion in appropriate circumstances to suspend or terminate enrolment, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

10. Terms of enrolment regarding provision of accurate information

- 10.1 It is vitally important that the principal is made aware of each student's individual circumstances insofar as these may impact upon their physical, functional, emotional, or educational needs, particularly where the school is required to provide additional support to the student.

- 10.2 Parents/guardians/carers must provide accurate and up-to-date information when completing the enrolment form and must supply the school, prior to enrolment, any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused or terminated where a parent/guardian/carer has unreasonably refused to provide requested information or knowingly withheld relevant information from the school.
- 10.3 Where, during a child's enrolment, new information becomes available that is material to the child's educational and/or safety and wellbeing needs, it is a term of the student's continuing enrolment that such information is provided to the school promptly.
Non-provision of such information will be treated as breach of these terms and conditions of enrolment.
- 10.4 The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.
- 10.5 Any breach of the terms and conditions of enrolment regarding provision of accurate information that is not rectified upon request by the school may result in a suspension or termination of enrolment.

11. Enrolment for children with additional needs

- 11.1 The school welcomes parents/guardians/carers who wish to enrol a child with additional needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between the school and parents/guardians/carers prior to enrolment regarding:
- the nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs, for example, giftedness or an experience of trauma
 - the nature of any additional assistance that is recommended or appropriate to be provided to the child, for example, medical or specialist equipment, specialist referrals, specific welfare support, modifications to the classroom environment or curriculum, aide assistance, individual education programs, behaviour support plans or other educational interventions as may be relevant
 - the individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians/carers and the school will work in partnership to achieve these goals
 - any limitations on the school's ability to provide the additional assistance requested.
- 11.2 The procedure for enrolling students with additional needs is otherwise the same as for enrolling any student.
- 11.3 As every child's educational needs can change over time, it will often be necessary for the school to review any additional assistance that is being provided to the student, in consultation with parents/guardians/carers and the child's treating medical/allied health professionals, to assess whether:
- the additional assistance remains necessary and/or appropriate to the student's needs
 - the additional assistance is having the anticipated positive effect on the student's individual physical, functional, emotional or educational goals.
- It remains within the school's ability to continue to provide the additional assistance, given any limitations that may exist.
- 11.4 To support a child's learning and wellbeing needs, students with additional needs can access school-based and MACS learning diversity assessment consultancy services if determined as required to clarify their learning profile and build teacher capacity to support student needs. Please refer to the MACS website for further information: <https://www.macs.vic.edu.au/Our-Schools/Students-with-Diverse-Learning-Needs.aspx>

12. Assessment and updates

- 12.1 Various opportunities are provided to keep parents/guardians/carers up to date with their child's progress. Two comprehensive written reports will be provided each year and arrangements will be made for at least one interview where parents/guardians/carers can discuss their child's development with their teacher. In addition, a meeting can be arranged if there are any concerns or you wish to receive an update on progress.

13. Discipline

- 13.1 The school has absolute discretion to determine when student conduct warrants disciplinary action to be taken. The school may apply disciplinary measures that it deems appropriate in accordance with the school's policies and procedures, which may include:
- withdrawal of privileges
 - detention at such times as the principal may deem appropriate
 - requiring the student to undertake additional school work during or after normal school hours
 - suspension
 - expulsion
 - such other consequences as the school considers reasonable and appropriate.

13.2 Any serious failure by the student to comply with the school's policies and procedures may affect the student's enrolment at the school. The student may be suspended from attending the school, their enrolment may be terminated and/or the school may charge or retain all or part of the fees, levies, or charges for that term.

14. Termination of student's enrolment by the school

- 14.1 The school reserves the right to require the parents/guardians/carers to withdraw the student from the school or to cancel the student's enrolment at any time if the school reasonably considers that:
- the student's behaviour, attitude or conduct to schoolwork, other school activities or while attending school is unsatisfactory
 - the student has demonstrated unsatisfactory conduct or performance, or misconduct

Acceptable Use Agreement for the Internet and Digital Technologies

At St Monica's Primary School we support the rights of all members of the school community to be provided with and engage in a safe, inclusive and supportive learning environment. This extends to the use of digital tools and online communities and is underpinned by our expectation of safe and responsible behaviour of all members of the school community.

At our school we:

- have a **Student Behaviour Policy** and an **ICT Acceptable Usage Policy** that state our school's values and expected standards of student behaviour, including actions and consequences for inappropriate online behaviour. Both policies can be accessed on the school website.
- educate our students to be safe and responsible users of digital technologies.
- raise our students' awareness of issues such as online privacy, intellectual property and copyright
- supervise and support students when using digital technologies within the classroom and establish clear protocols and procedures when working in online spaces including reviewing and considering the safety and appropriateness of online tools and communities
- provide a filtered internet service but acknowledge that full protection from inappropriate content can never be guaranteed
- respond to issues or incidents that have the potential to impact on the wellbeing of our students including those reported through online services
- know that some online activities are illegal and as such we are required to report this to the appropriate authority
- support parents/guardians to understand safe and responsible use of digital technologies, potential issues and the strategies that they can implement at home to support their child; providing this Acceptable Use Agreement and current information from both the Department of Education and Training and Cybersmart:

Student safe and responsible behaviour

When I use digital technologies and the internet I **communicate respectfully** by:

- always thinking and checking that what I write or post is polite and respectful
- being kind to my friends and classmates and thinking about how the things I do or say online might make them think or feel (*Ask students to reflect on how they would feel.*)
- working to stop bullying. I don't send mean or bullying messages or pass them on to others
- creating and presenting my own work and if I do copy something from the internet, letting others know by sharing the website link to acknowledge the creator.

When I use digital technologies and the internet I **protect personal information** by being aware that my full name, photo, birthday, address and phone number is personal information and is not to be shared online. This means I:

- protect my friends' information in the same way
- protect my passwords and don't share them with anyone except my parent
- only ever join spaces with my parents or teacher's guidance and permission
- never answer questions online that ask for my personal information
- know not to post three or more pieces of identifiable information about myself.

When I use digital technologies and the internet I **respect myself and others** by thinking about what I share online. This means I:

- stop to think about what I post or share online
- use spaces or sites that are appropriate for my age and if I am not sure I ask a trusted adult for help
- protect my friends' full names, birthdays, school names, addresses and phone numbers because this is their personal information
- speak to a trusted adult if I see something that makes me feel upset or if I need help
- speak to a trusted adult if someone is unkind to me or if I know someone else is upset or scared
- don't deliberately search for something rude or violent
- turn off or close the screen if I see something I don't like and tell a trusted adult

I will use this knowledge at school and everywhere I use digital technologies and the internet.
